Figure 12: Adding the team captain

After filling out the information, click the ‘save’ button.
The academic advisor is a faculty member working full-time at the university with at least a doctoral degree who advises the team about racing and undertakes responsibility for the administrative and financial procedures of the team.

The substitute academic advisor is the person authorised by the academic advisor if necessary to represent him or her during the competition week. The substitute academic advisor must work full time at the university (as a lecturer, research assistant, etc.). The academic advisor or the substitute academic advisor must be on duty with the team during the competition; otherwise, the team cannot participate in the races.
Vehicle Specifications Form is downloaded from the link. It is filled in according to the downloaded format and uploaded to the 'Upload File' field.
Confirmation
